

## St. Isidore School Tuition Contract & Volunteering Requirements

This contract is to be signed each year by the parent legally responsible for tuition as a condition of registration. Signing of the on-line contract is a certification that they are fully aware of its contents, commit to making timely tuition payments, and abide by the rules and policies set forth in the Parent/Student Handbook. All students new to St. Isidore School are placed on probationary status for one year.

### **Tuition Policy:**

All families are required to sign up with FACTS Tuition Management System for payment of tuition. The first month's tuition payment is due in June 2018 and is non-refundable. Tuition is due on the 5<sup>th</sup> or 20<sup>th</sup> of each month as designated by the individual, through FACTS. For each transaction that needs to be resubmitted, there will be a charge of \$30.00.

If a family decides to remove their child during the school year, they may be entitled to a refund of any prepaid tuition after the first month payment, depending on the circumstances relating to the withdrawal of the student. Thirty (30) days written notice prior to the student's last day is required. At the discretion of the Principal, and in cooperation with the Finance Committee, any request for refund will be evaluated and determined if a refund is appropriate.

There are requirements for the In Parish tuition rate, which reflect registration and participation in St. Isidore Parish. The St. Isidore Church envelopes are available at the Ministry Center for St. Isidore Parishioners. Tuition assistance is available for Grades 1-8. The status of In Parish/ Out of Parish is reviewed during the year by the Pastor.
