

## **St. Isidore School Tuition Assistance Program 2018-2019**

The gift of a Catholic education, for many parents, is a choice often made at great sacrifice. For others, it is entirely dependent upon the receipt of tuition assistance. The availability of financial aid can be the deciding factor in choosing Saint Isidore School, especially as tuition costs continue to rise. Saint Isidore School maintains a Tuition Assistance Program, which provides limited financial assistance to families based on need and on an applicant's availability to assist in the school upon request.

Consideration for tuition assistance requires the submission of a Tuition Assistance Application and supporting documentation by the designated deadline. Please read the application carefully and complete it in its entirety, attaching the requested documentation and submitting the entire package on or before the referenced deadline. An incomplete application, missing documentation or an untimely submission will prevent evaluation of the application and result in the denial of the tuition assistance request.
